

CERTIFICATE DESIGN CHALLENGE!

CALLING ALL YOUNG CREATIVES!

Do you love drawing, painting or designing? want your artwork to be seen by energy leaders across the UK?

Offshore Energies UK are looking for pupils aged 5 – 17 to design the official membership certificate for 2027.

THE RULES

1. Download or request our Certificate Template
2. Create your design around the template, leaving space for the OEUK logo, member name and the year
3. Showcase our industry – oil & gas, offshore wind, hydrogen and carbon capture in your own creative style. Use any colours you like
4. Send it to us by Friday 20th November

PRIZES

First Prize – Your class will get a VIP tour of Share Fair 2026 OR a pizza lunch with one of our experts. Winning design will be printed with every 2027 certificate with your name on it. Runners up will get a visit to your school for a special lunch and learn.

HOW TO ENTER

Submit your completed designs via our website (oeuk.org.uk), or email them to Membership@oeuk.org.uk. You can also post them to us (Annan House, Aberdeen, AB11 5QP)
